THE CLAIM FORM

- Prepare a **separate claim form** for each family member.
- Complete **ALL** of the information requested with **EACH** claim submission.
- If you prefer that **benefits be paid to the provider of services, be sure to complete the authorization for assignment of benefits** section of the claim form.

- The name, address, person or organization providing the service.
- The name of the patient receiving the service.
- The date of each service (**a range of services cannot be accepted**).

Accidental Injury - Statements must contain details as to when, where and the manner in which the injury occurred as well as the name and address of the party at fault where applicable.

Prescription only drugs - Bills/receipts must include the prescription number, the name of the drug and the name of the physician prescribing the medication. **(Please note that the cost of each drug must be indicated and receipts must carry the name/stamp of the pharmacy)**

Private Duty Nursing - Bills/receipts must include the shift worked, the charge per hour, the number of hours worked, the nurse's professional status, the family relationship to the patient if any. For patients covered by another insurance carrier - If the patient is claiming benefits for any charges that are eligible for benefits under any other health insurance policy, the explanation of benefits worksheet furnished by the other company pertaining to these expenses must be included with the itemized bills. A CLEAR copy of the other carrier's explanation of benefits worksheet is acceptable in place of the original document.
